Re: Metropolitan Edison Company/Pennsylvania Electric Company/Pennsylvania
Power Company/West Penn Power Company
Results of Request for Proposals Process – October 2014 Solicitation

Dear Ms. Giesler:

On October 29, 2014, Metropolitan Edison Company (Met Ed), Pennsylvania Electric Company (Penelec), Pennsylvania Power Company (Penn Power) and West Penn Power Company (West Penn) (collectively, First Energy) filed the results of their Request for Proposals (RFP) Processes and Rules (October Solicitation), including the proposed bid results for provider of last resort service for all First Energy Residential and Commercial Customers electing to receive default service from First Energy beginning June 1, 2015, at Docket Nos. P-2013-2391368, P-2013-2391372, P-2013-2391375 and P-2013-2391378. (P-2013-2391368 et al.)

The October Solicitation includes results for sixteen products in one auction (Fixed Auction): a full requirements product for each company's residential customers for the 12-month period beginning June 1, 2015; a full requirements product for each company's residential customers for the 24-month period beginning June 1, 2015; a full requirements product for each company's commercial customers for the 12-month period beginning June 1, 2015; and a full requirements product for each company's commercial customers for the 24-month period beginning June 1, 2015.

The Fixed Auction results were submitted in accordance with the RFP Process and Rules included in the Default Service Plan filed by Met Ed, Penelec, Penn Power and West Penn on November 4, 2013, as directed in the Commission's Order, entered July 24, 2014, at Docket No. P-2013-2391368 et al.

First Energy submitted the results to the Commission from the October Solicitation for review.

Further investigation does not appear to be warranted at this time, in accordance with 52 Pa. Code 54.188(d), since the bid results from the Fixed Auction appear to have been conducted in accordance with the RFP Processes and Rules, filed pursuant to the Commission's Opinion and Orders.

Therefore, we direct First Energy to disclose the approved results of the January Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010, at Docket No. M-2009-2082042.

Please direct any questions to Anthony Rametta, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-5242.

Sincerely,
